**PROOFS OF THE SUPERIOR QUALITY**  
**OF THE**  
**AMERICAN WATCH**  
**MADE AT**  
**WALTHAM, MASS.**  
THE American Watch Company, of Waltham,  
Mass., respectfully submit that their Watches  
are cheaper, more accurate, less complex, more  
durable, better adapted for general use, and more  
valuable for the purpose of time-keeping, than  
any other watches in the market. They are simpler  
in structure, and therefore stronger, and less likely  
to be injured by shocks, and they are more  
reliable. They are made of the best materials, and  
are assembled by the most skillful workmen, and  
are tested by the most accurate methods, and are  
guaranteed to keep true for years.  
In these statements I am sustained by the  
highest authorities, whose experience extended  
over a series of years.  
Respectfully,  
**EDWARD H. WILLIAMS,**  
General Superintendent,  
American Watch Co., Waltham,  
Mass.  
We make now five different grades of watches,  
and sell them at the following prices:

Waltham Watch Company, Waltham, Mass.  
P. S. Bartlett, Waltham, Mass.  
Wm. H. Elery, Boston, Mass.  
Home Watch Company, Boston, Mass.  
All of these, with the exception of the Home  
Watch Company, are warranted by the American  
Watch Company to be of the best material, on the  
most approved principle, and to possess every re-  
quisite for a reliable time-keeper. Every dealer  
selling these Watches is provided with the Com-  
pany's circular, which contains full particulars  
concerning each Watch sold, so that buyers may  
ascertain that they are purchasing the genuine  
article. There are numerous counterfeiters and  
imitators of our Watches sold throughout the  
country, and we would caution purchasers to be  
on their guard against imposition.

**REMY'S**  
**Convertible Iron Planter**  
**CULTIVATOR.**  
PATENTED JULY 9TH, 1887.  
THIS Machine has advantages never before in-  
troduced to the Farmer, which he can only re-  
alize by a practical use of it. Some of the ad-  
vantages claimed over other Hilling Cultivators are—  
1st. It plants two rows at a time, either in hills  
or drills, with one hand, at the rate of twenty  
acres per day.  
2d. It plows as deep as desired in any kind of  
soil.  
3d. It will plow hill or drilled corn.  
4th. It is the lightest draught of any wheeled  
Cultivator doing the same work, as the draught is  
from the bottom of the plow, the same as a double  
shovel hilled by hand.  
5th. The great height it will plow without  
breaking down, and the ease with which it  
can be changed to make new furrows  
when plowing one way.  
6th. The adjustability of the driver seat.  
7th. Its durability over wooden machines.  
8th. It is the only machine wanted in the field  
after the breaking is done till the crop is laid by.

win a premium. Five a premium. The prizes

**HARPER'S**  
**NEW MONTHLY MAGAZINE**  
Critical Notices of the Press.  
The most popular Monthly in the world.  
[New York Observer.]  
We must refer in terms of eulogy to the high  
tone and varied excellence of Harper's Maga-  
zine. It is a journal of the American People, and  
the popularity it has acquired is merited. Each  
Number contains fully 144 pages of reading-mat-  
ter, appropriately selected from good work-  
men; and it combines in itself the most recent

with the best of the monthly journals. It has  
great power in the dissemination of a loved  
pure literature.—[Tribune's Guide to American  
Literature, London.]  
We account for its success only by the sim-

**HALL'S**  
**Vegetable Sicilian Hair Renewer**  
It's stood the test of seven years  
before the public; and no prepara-  
tion for the hair has yet been dis-  
covered that will produce the same  
beneficial results. It is an entirely  
new scientific discovery, combin-  
ing many of the most powerful and  
restorative agents in the VEGET-  
ABLE KINGDOM. It restores GREY  
HAIR TO ITS ORIGINAL YOUTH-  
FUL COLOR. It makes the scalp  
white and clean; cures dandruff  
and humors, and falling out of  
the hair; and will make it grow  
upon bald heads, except in very  
aged persons, as it furnishes the  
cheapest preparation ever offered  
to the public, as one bottle will ac-  
complish more and longer  
than three bottles of any other  
preparation.  
It is recommended and used by  
the First Medical Authorities.  
The Wonderful results produced  
by our Sicilian Hair Renewer have  
induced many to manufacture  
preparations for the hair under  
various names; and, in order to  
induce the trade and the public to  
purchase their compounds, they  
have resorted to falsehoods, by  
claiming they were former part-  
ners, or had some connection with  
our Mr. Hall, and their prepara-  
tion was similar to ours. Do not  
be deceived by them. Purchase the  
original; it has never yet been  
equalled. Write for a full descrip-  
tion of the hair, with certificates, sent free  
by mail. See that each bottle has  
our private Resolute Stamp over  
the top of the bottle. All others  
are imitations.
